Back Key	Press to go to the previous screen.
Volume Keys	Press and hold the "Volume" button to increase/decrease the sound and to adjust the audio profile.

Installing the SIM Card

Switch off your phone before installing SIM card.

1. Take the needle included in the package
2. Insert it into the hole beside the SIM tray
3. Put the SIM card inside the tray as shown on the picture
4. Return the SIM tray back in the hole

Instead of a SIM card, you insert an SD card into the SIM1 slot. Instructions on how to insert an SD card are shown in the illustration. The phone supports SD cards of up to 32 GB.
